

We offer research and evaluation services that deliver actionable insights for education leaders.

Through research, data, and evaluation, we provide our clients with the valuable insights they need to make strategic decisions.

WHAT WE CAN DO FOR YOU:

- **Plan and conduct** a needs assessment to inform planning.
- **Assess** the quality or fidelity of implementation of a program or initiative.
- **Collect** survey, interview, or focus group data for program improvement.
- **Collect** benchmarking data about what other districts or schools are doing to address a key issue or problem.
- **Develop** easy-to-digest summaries of research or data for specific audiences.
- **Find** or adapt an instrument or assessment to provide needed data.
- **Develop** a proposal evaluation plan.
- **Conduct** an evaluation of program impact or effectiveness.
- **Enhance** your organization's internal capacity for using research, data, and evaluation.

WE SUPPORT YOUR CONTINUOUS PROGRESS.
