EducationForward @ SERVE Offers New Services to Educators

With over three decades of experience in supporting education professionals nationwide, SERVE at UNC Greensboro is pleased to announce new services through EducationForward.

These services encompass professional development, policy/program development, grants management, data analysis/management, strategic planning, and needs assessments.

We are well-versed in legislation that drives federal and state policies and practices as it relates to the education of P-20 students who are: experiencing homelessness, moving in and out of the foster care system, migratory, experiencing chronic absenteeism, in the social justice system, and/or at risk of dropping out of school.

WE LISTEN

We take the time to learn about your organization, context, and informational needs.

WE PLAN

We work with you to develop a scope of work that includes project goals, methods, deliverables, and timelines that are aligned with your needs.

WE DELIVER

We complete the work in as collaborative a fashion as you desire to achieve intended outcomes.

WE SUPPORT

We don't just leave you with a final deliverable; rather, we share results, tools and insights in ways that help you move your ongoing work forward.
